WHAT FOR?

## New AWH officers installed

Mrs. Harry Risinger was installed as president of Associated Women for Harding in a ceremony following a salad luncheon at the Urban renewal Center, Monday at noon.

Using an acrostic based on the word, Services, Mrs. Wayne Kellar installed the following officers: Mrs. Risinger, president; Mrs. Billy Ray Cox, first vice-president; Mrs. Neale Pryor, second vice-president; Mrs. R. T. Clark, third vice-president; Miss Edwina Pace, secretary; Mrs. Elbert Eubanks, treasurer; Mrs. George Benson, historian and Miss Ruth Browning, reporter.

Two workshops were set up for the summer months to make items for the annual gift fair.

During the business meeting Mrs. Kellar noted that a complete report of the year's activities would be mailed to each member. Mrs. Della Warren was introduced as a new member and Mrs. Neale Pryor, Sr. of Mayfield, Kentucky

A large arrangement of gold chrysanthemums was on the piano. Past presidents, Mrs. Lott Tucker and Mrs. Joe Pryor joined Mrs. Kellar at the head table.

## FROM THE PRESIDENT

Commencement exercises at Harding always bring mixed emotions. On the one hand we rejoice that seniors have successfully completed their prescribed course and will move into service of their Creator and their fellow man. On the other hand we will miss them and the great contributions they have made to Harding College.

But above all we praise our Father in heaven for His grace and mercy and for the never-ending blessings He bestows upon us. To Him, His Son and His creation we dedicate our lives and our talents. We pray that He may ever keep us near Him and make us to be fruitful in His service.

After riding 7200 miles on the European Continent in nine 7-passenger Peugeots, flying countless more miles, and giving splendidly received programs, the group of 62 arrived in New York City, Thursday afternoon. It was a tired, grateful and happy twenty-plus who arrived on the campus in the Harding Bus, Saturday at noon. Many parents, brothers and sisters and friends were on hand to greet them. They spoke highly of their missionary hosts. One was Keith Robinson, of Rome, who will be arriving in Searcy the 20th to serve as visiting professor of missions. He and his wife will live at 700 E. The chorus also saw Gundo and Helmi Vent in Cologne. The talented pianist and violinist presented our January, 1969 meeting.

## SEARCH AWH WILL HOST VISITORS.

## Associated Women for Harding meets

The Searcy Chapter of the Associated Women for Harding met Monday night, September 15, at 7:30, in the auditorium of the American Heritage Center. Mrs. Harry Risinger, president, called the meeting to order, and, following the opening prayer led by Mrs. Cliff Ganus, she welcomed visitors and new members. She noted that the purpose of A.W.H. is to promote and support Christian education in general and Harding College in particular. There are now twelve chapters of A.W.H. in Arkansas, Louisiana, and Tennessee. Mrs. Risinger challenged members to double the membership this year. Any interested woman may become a member by paying dues of twelve dollars a year. A special plan for student wives allows them membership for one dollar per year.

Miss Edwina Pace, secretary, read the minutes, and the treasurer, Mrs. Elbert Eubanks, made a report from the treasury. Mrs. Billy Ray Cox, first vice-president, announced that the program for October will be a workshop for the Gift Fair. She thanked the members of the program committee for their efforts in preparing the year's program. They are Mrs. Leslie Carmichael, Mrs. Joe Hacker, and Mrs. Ray Muncy. Mrs. Neale Pryor, second vice-president, joined in the request that all members work together for a greater Harding this year.

## SEPT. 15 REGULAR MEETING

Mrs. Risinger announced that the Little Rock Chapter of A.W.H. is planning a reception at the Governor's Mansion on November 8 to honor Mrs. R. S. Warnock.

The membership approved the purchase of white gravel to be placed under the stairway of the

new art building on campus, which will be dedicated September 28.

The program, a film "Action and Excellence: Christian Education at Harding," provided members with the story and purposes of Harding College through campus and student life scenes.

Following the program members and guests were served refreshments and viewed some samples of items being made for the Gift Fair.

Hostesses for the meeting were Mrs. Joe Pryor, Mrs. George E. Alcott, Mrs. Lorene Barnett, Mrs. A. R. Brown, Mrs. Leslie Carmichael, Mrs. James W. Mills, and Mrs. Muriel Ryan.

**ASSOCIATED WOMEN FOR  
 HARDING HAS MEETING**

More than seventy members of the Associated Women for Harding met Monday night, February 9, at the home of Mrs. Charles Huddleston. The highlight of the evening was the white elephant sale. As members arrived, the items they brought, which included flower bowls, candleholders, aprons, and wearing apparel, were displayed so bids could be made on them.

After the business meeting, they were auctioned to the highest bidder by Mrs. Louise Stroud.

Mrs. Amanda Risinger, president, presided over the business meeting. Mrs. Ruby Eubanks, treasurer, reported nearly \$4500 in the projects fund. The recommendation by the executive committee for the major 1969-1970 project at Harding College was read by the secretary, Miss Edwina Pace. The recommendation, which received the approval of the members present, is to purchase (1) carpeting for the corridors of Kendall Hall, a girls' dorm; (2) equipment for the science building; (3) a skeleton for the art department; and (4) a projector for Dr. Ganus.

Mrs. Mildred Groover, Gold Bond stamp chairman, encouraged members to be more active in collecting stamp books and points. She said, "Many stamps are still needed for the project which is to purchase a station wagon for the college. If members redeem the books themselves, they may ask for a coupon worth ten points for each book redeemed, and this may be given to the club to help accumulate the necessary points."

Dear Mrs. Risinger:

On behalf of the Biology, Chemistry, Physics and Mathematics Departments housed in Harding's New Science Building, may we express our thanks to AWH for furnishing tools for the building shop.

When the building was built, we included plans for a shop, but did not have funds to equip it. Your help now places us in a very nice position of being able to repair and build the many laboratory items involved in our work.

We were able to get a 10% discount on the purchase price, which made your money buy an excellent shop. The new equipment is being installed in Room 114 of the Science Building. We invite any of your members to come by and see it.

We greatly appreciate the many contributions that Associated Women make to the Harding program. We of the Science Building are especially grateful for the beautiful landscaping and foyer furniture that have been past projects of your group. And we are very proud of the new shop.
